

Welcome to Travellanda Bulgaria

We have been working to find the best solutions for our clients and their business.

Therefore, we have got together with our Global Sales Agent in Bulgaria - Travel Mania Plus - who we have been successfully working together for over 4 years.

This then gives our clients flexible payment options, payment in local currency and Bulgarian bank accounts, vouchers when the booking is confirmed and clients will be able to speak to professional advisor in Bulgarian.

We are calling them...
